

Travelling by Public Transport

For details on buses to our offices please see www.transportdirect.info or www.travelinesw.com. You can also contact Traveline on 0870 608 2608.

Please note that many of the bus journeys do require a walk of around 20 minutes from the bus stop to our offices.

Travelling Southbound on the A30

Tolvaddon Energy Park is situated just off the A30 between Camborne & Redruth.

Travelling southbound take the first exit after Redruth that is marked Pool/Camborne/Portreath.

After taking the exit road turn right towards Portreath (going underneath the A30). Then take the second left into Tolvaddon. After approximately 100 yards turn right at the mini roundabout and then right again in to Tolvaddon Energy Park. South Crofty House is the farther of the two buildings on your left as you enter the park.

Travelling Northbound on the A30

Tolvaddon Energy Park is situated just off the A30 between Camborne & Redruth.

Travelling northbound take the exit after Camborne West that is marked Camborne/Portreath.

After taking the exit road, stay in the right hand lane and take the first right signposted Portreath/Tolvaddon. After approximately 100 yards turn right at the mini roundabout and then right again in to Tolvaddon Energy Park. South Crofty House is the farther of the two buildings on your left as you enter the park.

Car Parking at Tolvaddon Energy Park

The majority of car parking spaces in the Energy Park are allocated to specific organisations. Please do ensure that you park in one of the spaces allocated to Community Energy Plus, or in a space that is not assigned to a specific organisation.

There is also additional parking on the road next to the energy park. Once you have turned off the main road into the park continue along the road rather than turning right into the centre of the park. South Crofty House is in the top left/north easterly corner of the park next to this road.
