

Westcountry Energy Action

Chief Executive Officer

£40,000 - £45,000

37.5 hours per week

Based at the WcEA offices in Plymouth (with a remit to work across Devon and occasionally other parts of the South West) Westcountry Energy Action is an independent not-for-profit charity that is at the forefront of delivering projects which have environmental benefits, primarily in the field of energy efficiency, fuel poverty and sustainable energy. We are based in Devon but work collectively with partners across the South West. We have just completed our new five year business plan and have an ambitious programme of growth and development ahead.

We are seeking a dynamic and energetic Chief Executive who will bring motivational leadership and strategic vision with experience of implementing business plans, staff management, partnership and project development, public relations and fundraising. The successful candidate will be committed to our environmental aims and keen to seize opportunities to take the organisation forward.

Closing Date for applications: Wednesday 23 April 2008. Interviews 7 and 8 May.
